WE SERVE OUR WHOLE COMMUNITY WHERE IT NEEDS IT MOST

United Way of Door County cares about our community. It's our job to know our community's toughest challenges, and we work every day to find the best ways to bring people together to solve the issues that matter most.

To allow other organizations to focus on one cause, United Way looks at Door County as a whole and unites our community to tackle the most complex challenges and create long-lasting, positive change. We confront the struggles of those who are working hard and falling short. United Way fights for the education, financial stability and healthy lifestyles of every person in every Door County community by supporting community resources that serve struggling families in Door County.

We fight for those who need a voice and for those whose names we do not know. We find new solutions to old problems, because change doesn't happen alone.

Despite working hard, many in our community struggle to pay bills, put food on the table, and make ends meet. Asset Limited Income Constrained Employed (ALICE) represents households with earnings above the Federal Poverty Level but below the basic cost-of-living threshold. With our partners, donors, and volunteers, we connect ALICE and other hard-working individuals with opportunities to make more than ends meet through United Way of Door County supported programs and initiatives.

Our focus for **change**:

Education We're fighting to shift the odds so tomorrow's leaders can build a better foundation today. With an approach to education that spans from cradle to career, we're ensuring every child gets a strong start in life, teenagers have the tools to learn and grow and young adults thrive in the job market.

Financial Stability We're fighting to put every person, in every community, on a path toward financial empowerment. That starts with access to services, job training, credit counseling and money management programs.

Healthy Lifestyles By making it easier for individuals to access substance abuse programs, receive quality health care and access nutritious foods, we're fighting to help everyone get - and stay - healthy.

WHY GIVE?

We're improving lives and empowering every family by focusing on education, financial stability, healthy lifestyles and basic needs – the cornerstones of a strong community. When you give to United Way, you make a measurable difference for your neighbors, co-workers, friends and families.

Please give today.

Now. More than ever.
