A PROVEN AND EFFECTIVE WAY TO SUPPORT OUR COMMUNITY A COLLABORATIVE APPROACH

United Way understands how the needs of our community are interrelated and works to promote partnerships to address those needs. We use research to identify gaps and confront our community's biggest challenges. Experts are brought to the table to identify effective solutions to ensure the immediate need is met and a sustainable solution is developed and implemented that not only fixes the issue, but gets at the root cause.

WE CONNECT PEOPLE TO EACH OTHER & THE ISSUES THAT MATTER MOST TO THEM

United Way is unique in the way it distributes funds. We start by raising money from business and citizens. Every year a Community Investment Committee of local volunteers look at the collective need of the community and allocate our funding based on those needs.

When you partner with United Way, you're impacting successful non-profits and 28 proven programs in our community.

WE SERVE OUR WHOLE COMMUNITY WHERE IT NEEDS IT THE MOST
