

LEADING THE WAY

UNITED WAY OF DOOR COUNTY

WINTER 2018

What's your New Year's Resolution?

A New Year's resolution is a decision to do or not do something to accomplish a goal or break a habit. It comes at a time when people look back at the past year and make an effort to improve themselves

as the new year begins.

We, as adults, often make New Year's resolutions to lose weight or exercise more. Kids make resolutions to get along better with siblings or to do their homework right away.

Let's take this a resolution thing a bit further than that this year. What if we all resolve to make a better life not just for ourselves, but for those around us. Think of all the good we could accomplish!

When people are in crisis and unable to meet their immediate needs, such as food and shelter, it becomes more difficult to focus on long-term goals, like self-sufficiency or education.

Your support of United Way and its partners helps local families receive basic needs services so they can achieve stability and work toward a better tomorrow.

As we bring 2018 to a close and look toward 2019, we're asking our generous donors, partners and friends to reflect on how all of us can help build a stronger Door County.

The ability to achieve your full potential should not depend on your zip code. Access to quality healthcare, well-rounded educational and employment opportunities and basic needs like food and shelter should be available to every person in every neighborhood.

With your support, we can resolve to help families start the new year with the opportunities and resources needed to help communities across Door County become stronger, more vibrant places to live and work for everyone.

We can't do it without you!

By donating to United Way, you are creating a better Door County for all. Thank you for your generosity, advocacy, volunteerism and continued support. Many in our community, our neighbors, friends and family members, may not have anywhere else to turn if were it not for you.

Yours Living United,
Grace Rossman, Board President
