**United Way of Door County Campaign Update**

United Way of Door County has announced that, as of Saturday, January 3rd, that the 2014 annual fundraising campaign is at 79%. A little more than \$115,000 is still needed to meet the needs identified by our partners and the volunteers who serve on our Community Investment Committee.

A donation to United Way will be invested in nonprofit programs focusing on Basic Needs, Community Wellness, Health, and Alcohol and Other Drug Abuse Prevention and Treatment.

To learn more about United Way of Door County, please visit their website at [www.unitedwaydc.com](http://www.unitedwaydc.com). If you would like to help your neighbors in 2015 by making a donation, or by making a pledge towards the 2014 need, you can call the office at 746-9645 or visit the website. All pledges and donations must be postmarked no later than January 7th.

The money that is raised in Door County stays in Door County to help nearly 7,000 people from Brussels to Washington Island and all areas in-between, who receive assistance from 40 human service programs. The staff and volunteers at those agencies thank you for your support of their work through your donation to United Way of Door County.
