RE: NEIGHBOR TO NEIGHBOR AND UNITED WAY OF DOOR COUNTY TO JOINTLY HOST FUNDRAISER

Neighbor to Neighbor Volunteer Caregivers and the United Way of Door County will host a fundraiser on Tuesday, February 4, 2014, at the Center Pointe Marina Community Room, Quincy and First Streets in Sturgeon Bay, from 6-8 p.m. The fundraiser is a Make-and-Take Craft Night, re-inventing t-shirts into stylish scarves. The event will include crafting, paired with appetizers, desserts, and refreshments including wine. Participants should bring their own scissors and as many XL or larger t-shirts as they want to make scarves. Instructions will be supplied. To attend the event, RSVP to the United Way by February 2nd by calling (920) 746-9645 or email to ruthi@unitedwaydc.com.

Neighbor to Neighbor provides free medical equipment loans to those in need, peer companions for homebound seniors and disabled individuals, respite for family caregivers, and the Lemonade Club, a support group for cancer patients and survivors. All services are provided free of charge. In 2013, Neighbor to Neighbor served 1230 individuals through these programs.

The United Way's mission is to empower people to build better lives. In addition to being a trusted avenue to make charitable donations, the United Way helps with prevalent needs through approved non-profit organizations providing services in community impact goal areas, and connecting people with services and organizations. The United Way also funds

maintenance of the Door County database for 211, a national information and referral service, and distributes Family Wize prescription discount cards, free to Door County residents.

All proceeds from this fundraiser will equally benefit Neighbor to Neighbor and the United Way of Door County. For further information, please call the United Way at (920) 746-9645 or Neighbor to Neighbor at (920) 743-7800.
