United Way Endowment Fund
To Begin 2014 Granting Process

Applications are now available for the 2014 United Way of Door County Endowment Fund Grants. The United Way Board of Directors established this fund in 1997 to assist in the future financial stability for the organization and our community. They are pleased to announce that the amount of money available for Endowment Fund Grants for the calendar year 2014 is \$4,295.00.

Proposals are awarded based on grant application criteria. Door County's Impact Areas and Goals (to be facilitated by United Way of Door County) will be used as guidelines for distribution of funds. Specifically, the Endowment Fund Grant Committee will be looking to see if the proposed project coincides with one of the four Community Impact Areas and supports the Goals. Approved grant money must be used for the specified purpose within a specified amount of time, or returned to the United Way of Door County Endowment Fund.

"At United Way of Door County we feel the number one quality that makes Door County special is the people who live here - our neighbors," states Eric Paulsen, Endowment Committee Member. "One way that we can have a positive impact on our neighbor's lives and our community is with our Endowment Fund. The Board of Directors wants to ensure that your United Way can continue to meet the ever-changing needs that arise within the county."

The United Way of Door County Endowment Fund is made up of monetary gifts that are specifically designated to the Endowment Fund. These gifts are often in the form of memorials or gifts in honor of someone. That money is then invested in the Endowment Fund with the Door County Community Foundation. At the end of each fiscal year, 5 percent of the fund can be used to finance community projects.

Application forms, along with the Impact Areas and Goals, are available at the United Way office, 57 N. 3rd Avenue, Sturgeon Bay, or by calling (920) 746-9645, or visiting their website at www.unitedwaydc.com. Proposals should be submitted to the United Way of Door County, Endowment Fund Grants, P.O. Box 223, Sturgeon Bay, WI 54235 or emailed to info@unitedwaydc.com.
