Third Avenue Playhouse to Partner With United Way of Door County

“United Way Night at the Theater” is set for Friday evening, October 10th. TAP’s ‘Stage Door Theatre Company’ is presenting **The Fantasticks**, the world’s longest running musical.

A “Fantastick” opportunity for friends of United Way to support two great organizations. Third Avenue Playhouse is donating 10% of ticket sales from that evening to United Way, if you mention “United Way” when you reserve your tickets.

To order tickets to see this wonderful musical, simply call the box office at 920-743-1760 by September 10th and mention “United Way”. Tickets are for sale at \$25.00 each.

“We are pleased to be working with Third Avenue Playhouse again,” commented Amy Kohnle, United Way Executive Director. “They are a great non-profit partner in the community.”
