Despite working hard, many in our community struggle to pay bills, put food on the table, and make ends

meet. Asset Limited Income Constrained Employed (ALICE) represents households with earnings above the Federal Poverty Level but below the basic cost-of-living threshold. With our partners, donors, and volunteers, we connect ALICE and other hard-working individuals with opportunities to make more than ends meet through United Way of Door County supported programs and initiatives.

Our focus for change:

EDUCATION – We’re fighting to shift the odds so tomorrow’s leaders can build a better foundation today. With an approach to education that spans from cradle to career, we’re ensuring every child gets a strong start in life, teenagers have the tools to learn and grow, young adults that thrive in the job market.

FINANCIAL STABILITY – We’re fighting to put every person, in every community, on a path towards financial empowerment. That starts with access to services, job training, credit counseling and money management programs.

HEALTHY LIFESTYLES – By making it easier for individuals to access substance abuse programs, receive quality health care and access nutritious foods, we’re fighting to help everyone get and stay healthy.

United Way  **A STRONG COMMUNITY IS A GREAT PLACE TO CALL HOME**

Today’s community issues are complex and cannot be solved by one agency or organization alone.

United Way fights for the health, education, and financial stability of every person in every Door County community. But we are more than fund-raisers. We are hand-raisers. We raise our hands not only to lead the fight, but to reach out to people who need help. And hope. We win when we Live United. By forging unlikely partnerships. By finding new solutions to old problems.

By mobilizing the best resources. And by inspiring individuals to join the fight against our community’s most critical needs.

We fight for those who need a voice and those whose names we do not know. We find new solutions to old problems. Because change doesn’t happen alone.
